

TO PARENTS OR GUARDIANS—On the 1st of each month this report will be sent to you for inspection. If not presented, kindly notify the teacher. If a pupil receives an unsatisfactory grade possibly it is to be attributed to lack of study, too many outside engagements, irregular attendance or to some cause which may be removed. If irregular attendance this portion of the compulsory school law, should be noted: A child can be excused of temporary absence due to personal sickness or death in the family, quarantine, severe storm which has destroyed bridges and made the regular means of travel dangerous or for unusual causes acceptable to the teacher, principal or superintendent. The excuse must be in writing and be signed by the parents or guardian of said child in person. All excuses subject to investigation of the attendance officer. Talk over this report with your child, and if any needs are indicated to you by remarks on this card, confer with teacher or superintendent. If you could visit the school it would prove a source of inspiration and help. To secure the best development of your child your hearty co-operation is solicited.
